Index to Volume 20: Subject

Active management of labor
Active management: a continuing benefit in nulliparous labor (O'Herlihy) 95 (Roundtable)
Active management of labor: not the answer to dystocia (Goer) 99 (Roundtable)
The active management of labor: Whose agenda? (Klein) 97 (Roundtable)
The active management of physicians (Rothman) 158 (Roundtable)
Effective control or effective care? (Kaufman) 156 (Roundtable)
A final comment. . . . managing the uterus, the woman, or whom? (Keirse) 159 (Roundtable)
Methodologic issues in assessing the active management of labor (Fraser) 155 (Roundtable)
Adolescence
Maternal-fetal attachment and perceived relationships with important others in adolescents (Wayland and Tate) 198
Anxiety
Expectations and experiences of pain in labor: findings from a large prospective study (Green) 65
"What are they talking about? Is something wrong?" Information sharing during the second stage of labor (McKay and Smith) 142

Baby Friendly Hospital Initiative
The Baby Friendly Hospital Initiative in the U.S.: Why so slow? (Young) 179 (Editorial)
Sheila Kitzinger's letter from England: the Baby Friendly Hospital Initiative in times of war (Kitzinger) 43
Birth, epidemiology
Nurses' care during labor: its effect on the cesarean birth rate of healthy, nulliparous women (Radin et al) 14
Birth, methods
The final fatal blow to routine episiotomy (Reynolds) 162 (In the literature)
Immersion in water during labor and birth: the need for evaluation (McCandlish and Renfrew) 79
Personal beliefs and alternative childbirth choices: a survey of 552 women who planned to give birth at home (Bastian) 186
The squatting position for the second stage of labor: effects on labor and on maternal and fetal well-being (Golay et al) 73
Birth, psychology
Attenders and nonattenders at childbirth education classes in Australia: How do they and their births differ? (Lumley and Brown) 123
Effects of prenatal classes cannot be measured by obstetric management (Shearer) 130 (Commentary)
Expectations and experiences of pain in labor: findings from a large prospective study (Green) 65
Maternal recall and medical records: an examination of events during pregnancy, childbirth, and early infancy (Githens et al) 136
Narratives of birth and the postpartum: analysis of the focus group responses of new mothers (DiMatteo et al) 204
Satisfaction with childbirth: theories and methods of measurement (Bramadat and Driedger) 22
Women's satisfaction with birth center care: a randomized, controlled study (Waldenström and Nilsson) 3
Birth at home; *see* **Home birth**
Birthing centers
Women's satisfaction with birth center care: a randomized, controlled study (Waldenström and Nilsson) 3
Breastfeeding
The Baby Friendly Hospital Initiative in the U.S.: Why so slow? (Young) 179 (Editorial)
Breastfeeding patterns: comparing the effects on infant behavior and maternal satisfaction of using one or two breasts (Righard et al) 182
Do cabbage leaves prevent breast engorgement? A randomized, controlled study (Nikodem et al) 61
Does breastfeeding empower women? Insights from a select group of educated, low-income, minority women (Locklin and Naber) 30
Sheila Kitzinger's letter from England: the Baby Friendly Hospital Initiative in times of war (Kitzinger) 43
Breech presentation
Accuracy of Leopold maneuvers in screening for malpresentation: a prospective study (Lydon-Rochelle et al) 132

Cesarean section
Active management of labor: not the answer to dystocia (Goer) 99 (Roundtable)
The active management of labor: Whose agenda? (Klein) 97 (Roundtable)
Nurses' care during labor: its effect on the cesarean birth rate of healthy, nulliparous women (Radin et al) 14
Chalmers, Iain
A paean to Iain Chalmers (Enkin) 1 (Editorial)
Childbirth education
Attenders and nonattenders at childbirth education classes in Australia: How do they and their births differ? (Lumley and Brown) 123
Effects of prenatal classes cannot be measured by obstetric management (Shearer) 130 (Commentary)
Sheila Kitzinger's letter from England: Should childbirth educators rock the boat? (Kitzinger) 216
Culture
Personal beliefs and alternative childbirth choices: a survey of 552 women who planned to give birth at home (Bastian) 186

Dystocia
Active management of labor: not the answer to dystocia (Goer) 99 (Roundtable)

Editorials
The Baby Friendly Hospital Initiative in the U.S.: Why so slow? (Young) 179
Crisis in primary care: Will midwives meet the challenge? (Young) 59
A paean to Iain Chalmers (Enkin) 1
Employment
Redefining women's work during pregnancy: toward a more comprehensive approach (DeJoseph) 86
Empowerment
Does breastfeeding empower women? Insights from a select group of educated, low-income, minority women (Locklin and Naber) 30
Episiotomy
The final fatal blow to routine episiotomy (Reynolds) 162 (In the literature)

Fatigue
Nausea and fatigue during early pregnancy (van Lier et al) 193
Fetus
Accuracy of Leopold maneuvers in screening for malpresentation: a prospective study (Lydon-Rochelle et al) 132

Home birth
Personal beliefs and alternative childbirth choices: a survey of 552 women who planned to give birth at home (Bastian) 186
Home uterine activity monitoring
Reanalysis of a multireported trial on home uterine activity monitoring (Keirse and Van Hoven) 117
Homosexuality
Good birthing needs a larger team (Larson) 41 (Commentary)
The lesbian childbearing couple: a case report (Tash and Kenney) 36

Induction of labor; *see* **Labor, induced**
Infant
Breastfeeding patterns: comparing the effects on infant behavior and maternal satisfaction of using one or two breasts (Righard et al) 182
Maternal recall and medical records: an examination of events during pregnancy, childbirth, and early infancy (Githens et al) 136
Information sharing
"What are they talking about? Is something wrong?" Information sharing during the second stage of labor (McKay and Smith) 142

Labor
Active management: a continuing benefit in nulliparous labor (O'Herlihy) 95 (Roundtable)
Active management of labor: not the answer to dystocia (Goer) 99 (Roundtable)
The active management of labor: Whose agenda? (Klein) 97 (Roundtable)

The active management of physicians (Rothman) 158 (Roundtable)
Effective control or effective care? (Kaufman) 156 (Roundtable)
Expectations and experiences of pain in labor: findings from a large prospective study (Green) 65
A final comment. . . . managing the uterus, the woman, or whom? (Keirse) 159 (Roundtable)
Immersion in water during labor and birth: the need for evaluation (McCandlish and Renfrew) 79
Methodologic issues in assessing the active management of labor (Fraser) 155 (Roundtable)
Narratives of birth and the postpartum: analysis of the focus group responses of new mothers (DiMatteo et al) 204
Nurses' care during labor: its effect on the cesarean birth rate of healthy, nulliparous women (Radin et al) 14
The squatting position for the second stage of labor: effects on labor and on maternal and fetal well-being (Golay et al) 73
"What are they talking about? Is something wrong?" Information sharing during the second stage of labor (McKay and Smith) 142

Labor, induced
Postterm pregnancy: new lessons from an unresolved debate (Keirse) 102 (In the literature)

Labor, premature
Treatment of preterm birth with ritodrine (Hemminki) 45 (In the literature)

Leopold maneuvers
Accuracy of Leopold maneuvers in screening for malpresentation: a prospective study (Lydon-Rochelle et al) 132

Lesbianism
Good birthing needs a larger team (Larson) 41 (Commentary)
The lesbian childbearing couple: a case report (Tash and Kenney) 36

Maternal-fetal attachment
Maternal-fetal attachment and perceived relationships with important others in adolescents (Wayland and Tate) 198

Maternal recall; *see* **Memory**

Medical records; *see* **Records**

Memory
Maternal recall and medical records: an examination of events during pregnancy, childbirth, and early infancy (Githens et al) 136

Midwifery
Crisis in primary care: Will midwives meet the challenge? (Young) 59 (Editorial)
Effective control or effective care? (Kaufman) 156 (Roundtable)

Mother-baby nursing
A plan for implementing mother-baby nursing (Steensma) 148

Nausea
Nausea and fatigue during early pregnancy (van Lier et al) 193

Nulliparity
Active management: a continuing benefit in nulliparous labor (O'Herlihy) 95 (Roundtable)

Nursing care
Nurses' care during labor: its effect on the cesarean birth rate of healthy, nulliparous women (Radin et al) 14
A plan for implementing mother-baby nursing (Steensma) 148

Pain
Expectations and experiences of pain in labor: findings from a large prospective study (Green) 65

Parenting
The lesbian childbearing couple: a case report (Tash and Kenney) 36

Patient education
Attenders and nonattenders at childbirth education classes in Australia: How do they and their births differ? (Lumley and Brown) 123
Effects of prenatal classes cannot be measured by obstetric management (Shearer) 130 (Commentary)
Sheila Kitzinger's letter from England: Should childbirth educators rock the boat? (Kitzinger) 216

Patient satisfaction
Attenders and nonattenders at childbirth education classes in Australia: How do they and their births differ? (Lumley and Brown) 123
Breastfeeding patterns: comparing the effects on infant behavior and maternal satisfaction of using one or two breasts (Righard et al) 182
Effects of prenatal classes cannot be measured by obstetric management (Shearer) 130 (Commentary)
Satisfaction with childbirth: theories and methods of measurement (Bramadat and Driedger) 22
Women's satisfaction with birth center care: a randomized, controlled study (Waldenström and Nilsson) 3

Perineum
The final fatal blow to routine episiotomy (Reynolds) 162 (In the literature)

Personal beliefs
Personal beliefs and alternative childbirth choices: a survey of 552 women who planned to give birth at home (Bastian) 186

Positioning
The squatting position for the second stage of labor: effects on labor and on maternal and fetal well-being (Golay et al) 73

Postpartum period
Narratives of birth and the postpartum: analysis of the focus group responses of new mothers (DiMatteo et al) 204

Postterm pregnancy; *see* **Pregnancy, prolonged**

Pregnancy
Maternal-fetal attachment and perceived relationships with important others in adolescents (Wayland and Tate) 198
Maternal recall and medical records: an examination of events during pregnancy, childbirth, and early infancy (Githens et al) 136
Nausea and fatigue during early pregnancy (van Lier et al) 193
Redefining women's work during pregnancy: toward a more comprehensive approach (DeJoseph) 86
Social support during high-risk pregnancy: Does it help? (Hodnett) 218 (In the literature)
Treatment of preterm birth with ritodrine (Hemminki) 45 (In the literature)
Ultrasound during pregnancy: a discussion (Ewigman et al) 212
Whose work is it, then? (Oakley) 93 (Commentary)

Pregnancy, prolonged
Postterm pregnancy: new lessons from an unresolved debate (Keirse) 102 (In the literature)

Prenatal care
The lesbian childbearing couple: a case report (Tash and Kenney) 36
Redefining women's work during pregnancy: toward a more comprehensive approach (DeJoseph) 86
Social support during high-risk pregnancy: Does it help? (Hodnett) 218 (In the literature)
Ultrasound during pregnancy: a discussion (Ewigman et al) 212
Whose work is it, then? (Oakley) 93 (Commentary)

Prenatal classes; *see* **Childbirth education**

Preterm labor; *see* **Labor, premature**

Primary health care
Crisis in primary care: Will midwives meet the challenge? (Young) 59 (Editorial)

Prostaglandins
Postterm pregnancy: new lessons from an unresolved debate (Keirse) 102 (In the literature)

Psychology
Attenders and nonattenders at childbirth education classes in Australia: How do they and their births differ? (Lumley and Brown) 123
Do cabbage leaves prevent breast engorgement? A randomized, controlled study (Nikodem et al) 61
Does breastfeeding empower women? Insights from a select group of educated, low-income, minority women (Locklin and Naber) 30
Effects of prenatal classes cannot be measured by obstetric management (Shearer) 130 (Commentary)
Expectations and experiences of pain in labor: findings from a large prospective study (Green) 65
Satisfaction with childbirth: theories and methods of measurement (Bramadat and Driedger) 22
Women's satisfaction with birth center care: a randomized, controlled study (Waldenström and Nilsson) 3

Recall; *see* **Memory**

Records
Maternal recall and medical records: an examination of events during pregnancy, childbirth, and early infancy (Githens et al) 136

Relationships
Maternal-fetal attachment and perceived relationships with important others in adolescents (Wayland and Tate) 198

Ritodrine
Treatment of preterm birth with ritodrine (Hemminki) 45 (In the literature)

Satisfaction, patient; *see* **Patient satisfaction**

Social support
Social support during high-risk pregnancy: Does it help? (Hodnett) 218 (In the literature)

Squatting position
The squatting position for the second stage of labor: effects on labor and on maternal and fetal well-being (Golay et al) 73

Term Guard monitoring system
Reanalysis of a multireported trial on home uterine activity monitoring (Keirse and Van Hoven) 117

Ultrasonography
Ultrasound during pregnancy: a discussion (Ewigman et al) 212
Uterine contractions
Reanalysis of a multireported trial on home uterine activity monitoring (Keirse and Van Hoven) 117

War
Sheila Kitzinger's letter from England: the Baby Friendly Hospital Initiative in times of war (Kitzinger) 43

Water
Immersion in water during labor and birth: the need for evaluation (McCandlish and Renfrew) 79
Work
Redefining women's work during pregnancy: toward a more comprehensive approach (DeJoseph) 86
Whose work is it, then? (Oakley) 93 (Commentary)
